## WHO WE ARE

The Ward 8 Democrats is one of Washington, DC's leading political organizations. Founded in 1983 with a focus on increasing "citizen knowledge of, and participation in the political processes of the ward, District and nation," today 81 percent of all registered voters in the ward are Democrats, the largest percentage of Democratic voters in the District.

For nearly 40 years, the Ward 8 Democrats has not only been in the front seat of history-making progress in the District, it has helped lead it. From fighting for expanded resources for youth, seniors, and families, to healthcare and enfranchising returning citizens, the Ward 8 Democrats was there.

The Ward 8 Democrats continue to lead the conversations around voting innovations, human rights, improving public education, safety, and DC voting rights.

## MESSAGE FROM THE PRESIDENT TROY DONTÉ PRESTWOOD

“Lift Every Voice and Sing,” often called the negro national anthem, has meant so much to me and to many others for generations. Brothers James Weldon Johnson and J. Rosamond Johnson penned a timeless anthem that is part battle cry; part call to action; and part prayer. It is a reminder that each of us still has a role to play in our continued march for hope and freedom.

The same can be said about voting. It is how we answer our civic duty to sustain our democracy. It is how we express our values and ensure they are represented at all levels of government. It is also how we honor the countless individuals who have bled and died so we can live and vote. For better or worse, voting is how our voices are heard and will be recorded when the history of our time is written.

In keeping with our voter education mission, we are pleased to bring you **Your Choice; Your Voice** candidates’ forum to hear directly from those vying for our support for local office. During the forum, we will explore their records, ideas, policy proposals, and vision for our ward, city, and nation.

These are indeed trying times. And there are a lot of questions about the upcoming primary voting process. Rest assured the Ward 8 Democrats is committed to voter education, the safety of our voters, and ensuring every vote is counted. We will remain vigilant. And in the spirit of that incredible anthem written by the Johnson brothers 120 years ago; “Let us march on ‘til victory is won.”

### ANNA-LYSA GAYLE

Born in Jamaica, Anna-Lysa Gayle has always had a passion for documenting events happening around her. She started documenting her life as soon as she could form real sentences. Since then, she has remained committed to her passion for storytelling.

At 11 years old, she moved to the United States to Brooklyn, New York. As she moved to other parts of the East Coast, her love for journalism only intensified.

In 2009, she enrolled at Howard University where she studied Broadcast Journalism. During that time, she interned with companies like WTOP-FM and CNN. She was also selected for competitive programs like the Meredith-Cronkite Fellowship, the T-Howard Foundation, the CBC-UNC Diversity Fellowship, MTVU, ONA student newsroom and NABJ's student multimedia project.

She started her career at WHSV-TV in Harrisonburg, Virginia before moving on to WLKY-TV in Louisville, Kentucky, for nearly three years. While in Kentucky, she received an award from the Associated Press for her continuing coverage of a case involving four young men, coined the "Misidentified Four."

In July 2016, Anna-Lysa joined the news team at WJLA-TV, where she continues to tell stories that she hopes will leave a lasting impact.

She is a three-time Emmy award-winner, earning them for her reporting on the National Museum of African American History and Culture, the fatal Flower Branch Apartments explosion in Silver Spring in 2016, and the Congressional baseball practice shooting in Alexandria, Virginia. She is also the recipient of the Distinction of Hope Award.

You can watch Anna-Lysa Gayle at 10 p.m. on WJLA 24/7 News and at 11 p.m. on ABC7 News.
